OTHER EXPENSES

In addition to her speaking fee, for some schools and communities Maggie would require a return economy airfare and/or other travel costs and accommodation. We prefer to book flights ourselves in order to work around Maggie's schedule. We then add this cost to your invoice.

We ask that clients book and pay for accommodation directly and notify us of the details a fortnight before the event.

OTHER REQUIREMENTS

Maggie will bring her laptop and asks that you have a data projector, screen and audio link available. She also requires a microphone (with PA/speaker). Maggie asks that you make a long table available where she can display her books, cds and other resources for sale.

BOOKINGS

If you would like to book Maggie, please email your request including the dates, the location and your preferred option from above and I will get back to you as soon as possible with confirmation and a booking form.

While it is best to do most of our planning via email as it gives us a good record of our communication, my contact number is 0418 417 305.

Maggie asks that you are mindful that she employs a small team of part-time working parents to support her work and due to the high number of inquiries we receive and the complexity of her schedule, we appreciate your patience in waiting for a response.
